

What's Happening at Deerfield Community Center...

As we look ahead to 2025, we are requesting your continued support for the Deerfield Community Center and Food Pantry. Our organization remains committed to providing essential services to our community, but we are facing increasing challenges due to rising inflation costs, increased officiating costs, and increased food pantry use.

The rising prices of food, supplies, and labor have put immense pressure on our ability to serve those in need. This year, we have experienced significant increases in the costs of operating our food pantry, maintaining our facilities, and providing essential programs. Additionally, the demand for our food pantry services has continued to grow, making it even more challenging to meet the needs of our community.

Your support is crucial to helping us overcome these challenges. Whether through donations, volunteering, or spreading the word about our services, every contribution makes a difference. By working together, we can ensure that our community members have access to the resources they need during these difficult times.

We appreciate your ongoing commitment to making Deerfield a supportive and caring community.

DCC serves as a hub for many services in the Deerfield Community including youth programs, senior citizen programs, food pantry, community events & more! Your support helps our organization continue to offer all of these valuable services.

HOW YOU CAN HELP:

The number of new Food Pantry clients continues to grow & we continue to strive to meet the needs of our community!

- Donate to our Food Pantry for our Thanksgiving or Christmas baskets (\$60 per basket)
- Donate to our Community Center general operations
- Sponsor a child on the Giving Tree (\$40 per child)
- Sponsor a Senior on the Giving Tree (\$30 per senior)
- **Volunteer!** Email info@dccenter.org to get involved!
