** All participants must be pre-registered / No discounts, exceptions, refunds, or credits will be issued*

Before & After School Registration

To register your child for Before School or After School, you must purchase a Day Pass.

Here's what you need to know:

- You may purchase a single Day Pass, a five pack of Day Passes, or a twenty pack of Day Passes for each program (Before School & After School @ DES).
- Day Passes are non-transferrable. You may not use them for other programs. They are program specific (e.g., an After School @ DES Day Pass can only be used for After School).
- Day Passes must be purchased for each family member. You may not purchase multiple passes and share them among family members.
- Each time your child is logged in for attendance, a Day Pass will be removed from your total count.
- You must always have a Day Pass remaining in your account in order to send your child to our program.
- Additional Day Passes may be purchased at any time.
- Day Passes are non-refundable.

Checking Your Pass Balance & Registering: Visit www.dccenter.org, click the green registration button, click **My Account** to login, click the three lines in the upper right corner, and choose **My Memberships and Day Passes**.

All programs require pre-registration and prepayment. Questions? Contact Abby at abby.porter@dccenter.org
